Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order is available through **GSA Advantage!**TM, a menu-driven database system. The INTERNET address for **GSA Advantage!**TM is:
<http://www.GSAAdvantage.gov>.

MULTIPLE AWARD SCHEDULE

Federal Supply Group: Professional Services

For more information on ordering from Federal Supply Schedules
click on the FSS Schedules button at <http://www.gsa.gov/schedules-ordering>

Contract Number: GS-00F-001HA

Contract Period: October 1, 2017 – September 30, 2027

Catalog effective through Mass Modification #PO-0010, dated August 2, 2022

Contractor: Alamo Environmental, Inc. dba Alamo 1
2900 Nacogdoches Road
San Antonio, TX 78217-5019

Business Size: Small, Disadvantaged Business

Telephone: (210) 404-1220

Fax Number: (210) 820-3636

Web Site: www.alamo1.com

Administrator: Jessica Melendez

CUSTOMER INFORMATION:

1a. Table of Awarded Special Item Number(s)

SIN	Recovery	SIN Description
562910REM	562910REM/RC	Remediation and Reclamation Services
OLM	OLM/RC	Order Level Materials (OLMs)

- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. N/A**
- 1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. See Pricelist on page 4.**
- 2. Maximum Order: \$1,000,000.00**
- 3. Minimum Order: \$100.00**
- 4. Geographic Coverage (delivery Area): Domestic and Overseas**
- 5. Point(s) of production (city, county, and state or foreign country): Same as company address.**
- 6. Discount from list prices or statement of net price: Prices Shown Herein are Net (discount deducted).**
- 7. Quantity discounts: .5% for orders above 150k, 1% for orders above 250k and 2% for over 300k**
- 8. Prompt payment terms: Net 30 days**
- 9. Foreign items (list items by country of origin): None**
- 10a. Time of Delivery (Contractor insert number of days): Specified on the Task Order**
- 10b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor**
- 10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor**

- 10d. Urgent Requirements.** The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery: Contact Contractor
- 11. F.O.B Points(s):** Destination
- 12a. Ordering Address(es):** Same as Contractor
- 12b. Ordering procedures:** Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA’s) are found in Federal Acquisition Regulation (FAR) 8.405-3.
- 13. Payment address(es):** Same as company address
- 14. Warranty provision.:** Contractor’s standard commercial warranty.
- 15. Export Packing Charges (if applicable):** N/A
- 16. Terms and conditions of rental, maintenance, and repair (if applicable):** N/A
- 17. Terms and conditions of installation (if applicable):** N/A
- 18. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable):** N/A
- 19. Terms and conditions for any other services (if applicable):** N/A
- 20. List of service and distribution points (if applicable):** N/A
- 21. List of participating dealers (if applicable):** N/A
- 22. Preventive maintenance (if applicable):** N/A/
- 23a. Environmental attributes, e.g., recycled content, energy efficiency, and/or reduced pollutants:** N/A
- 23b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contactor’s website or other location.) The EIT standards can be found at:**
www.Section508.gov/. N/A
- 24. Entity Unique Identification (EUIIN) number:** LSJTKR4L6HB7
- 25. Notification regarding registration in System for Award Management (SAM) database:**
Registered

Final Pricing: The Labor Category hourly rates shown below include the Industrial Funding Fee (IFF) of 0.75%.

Labor Category Descriptions

Labor Category	Description	Minimum Education	Minimum Experience
Administrative Assistant-Jr*	Performs routine administrative, clerical, and other support tasks including general office work, typing, and filing. Includes General Clerk and Secretary.	HS Diploma	2 years
Administrative Assistant-Sr*	Performs routine administrative, clerical, and other support tasks including general office work, typing, and filing. Includes General Clerk and Secretary. May assist with the negotiations of contracts/subcontracts.	HS Diploma	5 years
Chemist	Performs daily lab packs and chemical consolidation and bulking within customer facilities; spill response and clean up; sampling; remediation duties; chemical management and inventory; respiratory fit testing.	Bachelor's Degree	1 year-HAZWOPER 40hr training and current 8-hour refresher.
Construction Manager	Construction Management personnel performing in the field in a Supervisory or oversight role for environmental	Bachelor's Degree	4 years-HAZWOPER 40hr training and current 8-hour refresher.

Labor Category	Description	Minimum Education	Minimum Experience
	remediation and construction projects. First Aid/CPR training, and respirator fit test training.		
Disposal Coordinator	Coordinates and manages transportation and disposal of waste materials including proper waste profiling, lab packing, manifesting, and shipping activities.	HS Diploma	5 years-HAZWOPER 40hr training and current 8-hour refresher.
Ecologist/ Biologist	Specific experience area includes performing routine tasks such as preparing graphical or tabular presentations of data, preparation of supporting material, etc. under the direction of a senior professional.	Bachelor's Degree	4 years-Required professional registration as necessary.
Ecologist/ Biologist-Sr	Specific experience areas include performing complex or non-routine technical tasks and acting as supervisor and oversight for a small group of individuals working on technical issues or specific elements of a project.	Bachelor's Degree	11 years-Required professional registration as necessary.
Electrician-Journeyman-Licensed*	Install, maintain, and repair electrical wiring, equipment and fixtures. Ensure that work is in accordance with relevant codes. May install or service lights, intercom systems, or electrical control systems.	HS Diploma	5 years-Journeyman Electrician License
Electrician-Lead/Master-Licensed*	Install, maintain and repair electrical wiring, equipment and fixtures. Ensure that work is in accordance with relevant codes. May install or service lights, intercom systems, or electrical control systems.	HS Diploma	10 years-Master Electrician License
Electrician-Supervisor*	Supervises the electrical technician elements for the contract projects. Provides specific instructions on new assignments and checks completed work for accuracy.	HS Diploma	10 years-Master Electrician License
Electrical Engineer	Designs, tests and develops products and systems powered by electricity. Design, develop, modify, and evaluate electronic parts, components, or integrated circuitry for electronic equipment and/or hardware systems, develop design approaches and parameters, analyze electrical requirements, determine design feasibility within time/cost constraints, analyze equipment, develop operating data, test, evaluate results.	Bachelor's Degree	5 years-Required professional registration as necessary.
Environmental/Field Technician*	Performs assigned field and routine technical tasks. Responsible for installation, operation, maintenance and repair of on-site equipment under supervision.	HS Diploma	HAZWOPER 40hr training and current 8-hour refresher.
Environmental/Field Technician-Sr*	Leads and manages large or complex field and technical efforts and tasks. Responsible for general supervision of the installation, operation, maintenance, and repair of on-site equipment. Oversight of subcontractors.	Bachelor's Degree	5 years-HAZWOPER 40hr training and current 8-hour refresher.
Environmental/Heavy Equipment Operator-Sr*	Operates heavy equipment on environmentally contaminated or potentially contaminated sites. Performs site remediation, utilizing various type of heavy equipment to include Bull Dozers, Front End Loaders, Excavators, Graders, and Compactors.	HS Diploma	HAZWOPER 40hr training and current 8-hour refresher.
Excavator & Processor Operator*	Responsible for operating, inspection along with daily reports. Has the training and ability of operating with attachments needed for the task being performed.	HS Diploma	3 years-HAZWOPER 40hr training and current 8-hour refresher.
Field Clerk*	Field position - Performs routine administrative, clerical, and other support tasks including general office work, typing, and filing.	HS Diploma	HAZWOPER 40 hr training and current 8-hour refresher.
Field Laborer*	Provides general labor support. Performs tasks that require mainly physical abilities and effort involving little specialized skill. Environmental in nature.	HS Diploma	HAZWOPER 40 hr training and current 8-hour refresher.

Labor Category	Description	Minimum Education	Minimum Experience
Geologist-Sr	Applies field on knowledge to the activities and other project support personnel.	Bachelor's Degree	8 years-HAZWOPER 40hr training and current 8-hour refresher
Groundman*	Responsible for inspections and doing maintenance, cleaning, watching out for plugged chutes and stopped conveyors and capable of shutting off systems as necessary.	HS Diploma	1 year-HAZWOPER 40hr training and current 8-hour refresher.
Heavy Equip Operator*	Operates heavy equipment, utilizing various types of heavy equipment to include Bull Dozers, Front End Loaders, Excavators, Graders, and Compactors.	HS Diploma	OSHA 10hr training,
Industrial Hygienist	Non-CIH - Develops, implements, and oversees all health and safety related aspects of project work. Signs off on site-specific HASPs Approved changes to established Health and Safety Program. Readily available for consultation as required.	Bachelor's Degree	10 years-HAZWOPER 40hr training and current 8-hour refresher. Must be registered or equivalent if registration is not appropriate for their profession.
Loader Operator*	Conducts field work. Meets with agency project personnel, reviews analytical data and develops response/remediation programs.	HS Diploma	3 years-HAZWOPER 40hr training and current 8-hour refresher.
Logistics Manager	Responsible for the overall supply chain. Manages the entire order cycle to enhance business development and ensure sustainability in customer satisfaction.	Bachelor's Degree	7 years
Logistics Support	Coordinates logistics activities with internal/external customers and provides local logistic support.	HS Diploma	1 year
Manager – High Hazard/ Reactive/ Explosive/ Cylinder-Standard	Supervises the waste management staff related to High Hazard, Reactive, and explosive material.	HS Diploma	10 years-HAZWOPER 4hr training and current 8-hour refresher, First Aid/CPR training, and respirator fit test training.
On-Site Laborer*	Provides general labor support, not in the specific trade which may encompass construction and or demolition elements of a project Work may include demolition work that cannot be done by equipment. May provide daily clean-up and debris removal.	HS Diploma	None
Operator*	Operates Heavy Equipment and certified in the equipment being used.	HS Diploma	HAZWOPER 40hr training and current 8-hour refresher.
Pipe Fitter-Fire Sprinkler*	Installs or repairs water, steam, gas or other types of pipe and pipefitting.	HS Diploma	2 years
Plumber-Journeyman-Licensed*	Assembles, installs, and repairs pipes, fittings and fixtures of heating, water, and drainage systems, according to specifications and plumbing codes.	HS Diploma	1 year-Plumbing License
Plumber -Master-Licensed*	Assembles, installs and repairs pipes, fittings and fixtures of heating, water, and drainage systems, according to specifications and plumbing codes.	HS Diploma	10 years-Master Plumbing License
Plumber-Supervisor*	Supervises the plumbing elements for the contract projects. Provides specific instructions on new assignments and checks completed work for accuracy.	HS Diploma	5 years-Plumbing License
Project Estimator	Project estimator is in charge of defining the scope of work and pricing out how much it will cost to complete the project	HS Diploma	8 years
Project Foreman-Remediation - Standard	Supervises on-site technicians and support staff.	HS Diploma	5 years-HAZWOPER 40hr training and current 8-hour refresher, First Aid/CPR

Labor Category	Description	Minimum Education	Minimum Experience
			training, and respirator fit test training.
Program Manager-Jr	Works closely with clients; Responsible for developing and directing overall project approaches and solutions. Maintains quality and overall client approval. Responsible for preparation, evaluation, administration and compliance of all government contract accounting work. Strategic problem-solving skills.	Bachelor's Degree	5 years
Program Manager-Sr	Works closely with clients; Responsible for developing and directing overall project approaches and solutions. Maintains quality and overall client approval. Responsible for preparation, evaluation, administration and compliance of all government contract accounting work. Strategic problem-solving skills.	Bachelor's Degree	8 years
Project Manager-Jr	Responsible for management and execution of smaller or routine task orders, manages schedules and deliverables, oversees technicians and subcontractors.	Bachelor's Degree	2 years
Project Manager-Mid	Responsible for management and execution of large, complex and multidisciplinary task orders, manages schedules and deliverables, oversees staff and subcontractors.	Bachelor's Degree	5 years
Project Manager-Sr	Responsible for management and execution of large, complex and multidisciplinary task orders, manages schedules and deliverables, oversees staff and subcontractors.	Bachelor's Degree	10 years
Project Supervisor-Remediation - Standard	Supervises on-site technicians and support staff. First Aid/CPR training, and respirator fit test training.	HS Diploma	10 years-HAZWOPER 40hr training and current 8-hour refresher
Purchasing Manager	Responsible for purchasing or approving the acquisition of goods and services needed by the company.	Bachelor's Degree	5 years
Quality Control Analyst	Responsible for conducting audits and reviews. Issues recommendations regarding quality performance. Provide recommendations and orders, as required, for corrective action. Confirm compliance with corrective action orders and recommendations.	Bachelor's Degree	10 years
Quality Control Manager-Sr	Leads corporate quality assurance and quality control program. Responsible for conducting audits and reviews. Issues recommendations regarding quality performance. Provide recommendations and orders, as required, for corrective action. Confirm compliance with corrective action orders and recommendations.	Bachelor's Degree	20 years
Quality Control/Site Safety Administrator	Supervises on-site technicians and support staff. First Aid/CPR training, and respirator fit test training.	HS Diploma	10 years-HAZWOPER 40hr training and current 8-hour refresher.
Roofer*	Perform roofing installation, inspections during installation and on existing roof systems.	HS Diploma	5 years
Safety Manager-Radiation (RSO)	Has duty and responsibility to oversee and ensure safe operations of the Radiation Protection program. First Aid/CPR training, and respirator fit test training.	Bachelor's Degree	8 years-HAZWOPER 40hr training and current 8-hour refresher.
Safety Manager-Site Officer	Implementation and oversight of the Health and Safety program, developing site H&S plans, and implementing client specifications. Other duties include managing project H&S staffing needs, investigating accidents/	Bachelor's Degree	8 years-HAZWOPER 40hr training and current 8-hour refresher, First Aid/CPR training, and respirator fit test

Labor Category	Description	Minimum Education	Minimum Experience
	incidents, performing safety audits, conducting H&S meetings, and preparing H&S reports.		training. CSP or CIH is required.
Scientist	Independently supports large or complex scientific studies and task. Has developed substantial expertise in the field of practice. Prepares work plans and cost estimates.	Bachelor's Degree	7 years
Scientist-Sr	Independently manages and leads large or complex scientific studies and task. Has developed substantial expertise in the field of practice. Prepares work plans and cost estimates. Responsible for data review and analysis, approving designs, reports, plans and specifications before submittal to clients or regulatory agencies. Has significant responsibility for staff management.	Bachelor's Degree	10 years
Sheetmetal (Duct) Technician*	Responsible for cutting, patching, and installing of sheet metal access panels in ductwork.	HS Diploma	2 years
Site Supervisor	Oversees and coordinates the activities for field personnel including laborers, equipment operators, truck drivers. Coordinates field operations with Project Manager and other professional staff.	HS Diploma	10 years-HAZWOPER 40hr training and current 8-hour refresher.
Structural-Journeyman-Licensed*	Responsible for the installation and repair of environmental control systems, utilizing knowledge of refrigeration theory, control systems, pipe fitting and structural layouts.	HS Diploma	1 year
Structural-Millwright*	Machinery service professional. Responsible for machinery rigging, moving, assembly/disassembly, testing and repair.	HS Diploma	5 years
Structural-Lead/Master-Licensed*	Responsible for the installation and repair of environmental control systems, utilizing knowledge of refrigeration theory, control systems, pipe fitting and structural layouts.	HS Diploma	10 years
Structural Supervisor*	Supervision and performance of machinery and manufacturing systems services.	HS Diploma	5 years
Subject Matter Expert (SME)-(Project Specific)	Subject Matter Expert related to the specific job requirements. Provide specialized knowledge in specific functional or operational domains or in analysis methods or disciplines.	Bachelor's Degree	2 years-Required professional registration as necessary.
Superintendent	Field supervision and on-site management of subcontractors, safety program coordination, and job site execution.	HS Diploma	8 years
Technician-High Hazard/ Reactive/ Explosive/Cylinder-Standard*	Field Technician responsible for required emergency response activities.	HS Diploma	1 year-HAZWOPER 40hr training and current 8-hour refresher.
Technician-Remediation-Standard*	Field Technician responsible for required remediation activities.	HS Diploma	1 year-HAZWOPER 40hr training and current 8-hour refresher.
Truck Driver*	Drives various trucks including those with GVWR more than 26,000 lbs.	HS Diploma	HAZWOPER 40hr training and current 8-hour refresher.
Welder-Journeyman-Licensed*	Welds metal components to fabricate or repair products such as machine parts, motors and generators according to layouts, blueprints or work orders. Uses a variety of arc and gas welding equipment. The employee uses various certified weld processes, performs related tasks	HS Diploma	2 years

Labor Category	Description	Minimum Education	Minimum Experience
	such as thermal cutting and grinding, repairs broken or cracked parts, fills holes and increases size of metal parts.		
Welder-Lead/ Master-Licensed*	Welds metal components to fabricate or repair products such as machine parts, motors and generators according to layouts, blueprints or work orders. Uses a variety of arc and gas welding equipment. The employee uses various certified weld processes, performs related tasks such as thermal cutting and grinding, repairs broken or cracked parts, fills holes and increases size of metal parts. The Service Contract Labor Standards, formerly the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule and all services provided. The prices for the indicated (**) SCLS labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide).
