**Indefinite Delivery Indefinite Quantity (IDIQ) for Environmental Abatement and Remediation Services**

The Texas Comptroller of Public Accounts has issued Geo/Alamo1, LLC a Texas Multiple Award (TXMAS) Schedule Contract to provide Environmental Contracting Services to state agencies and local governments on an IDIQ/Job Order/Work Order basis for our services. These are the same services we have been providing to government installations, school districts, and local, city, and state municipalities.

Geo/Alamo1, LLC is a joint venture between Geo International Management, LLC, and Alamo1. Geo is a U.S. Small Administration (SBA) 8(a) and HubZone contractor. Geo along with Alamo1 is also certified by the State of Texas as a Historically Underutilized Business (HUB). Geo/Alamo1 is a full service construction firm that also has the capabilities to do various types of work that include but is not limited to asbestos/lead/mold removal, emergency response, environmental remediation, construction, electrical, waste hauling, and environmental testing. Geo and Alamo1 have each completed numerous projects at Lackland Air Force Base, Fort Sam Houston, Fort Hood, Laughlin Air Force Base, Dyess Air Force Base, Department of Veterans Affairs, University of Texas at San Antonio, and the Texas Department of Transportation.
